LOGO USAGE:

- Should be legible at any size. Do not use our full logo unless there is ample space to allow for legibility.
- Do not stretch or distort.
- Logos are allowed in approved colors only, unless approved by SOPEC staff.
- Logos must not overlap.

Above is the preferred logo for all external use.

This logo can be used in applications in which the vertical version better fits a fixed location.

The logo above is recommended for applications in which the full text "Sustainable Ohio Public Energy Council" is no longer legible.
